Design Packages

BRONZE

One hour design service used to generate graphics in the style of an existing corporate image. An effective solution for producing eye-catching graphics for banner stands when on a budget.

SILVER

Maximum of three hours design in the style of an existing corporate image but with more creative input from ourselves to produce a design that enhances any existing corporate style.

GOLD

Maximum of six hours design using either an existing corporate style or a completely new look for your exhibition display. With this package you get open access to our stock photography library and the opportunity to make your display stand out.

How does it work?

STEP 1: Choose and pay for your design package
STEP 2: E-mail or post the content for your design eg. logos, images, existing corporate literature
STEP 3: We send you an initial pdf or jpeg proof via e-mail
STEP 4: You e-mail us any amendments (if any) until you are satisfied with the design
STEP 5: You e-mail us confirmation that the stand design is acceptable (sign off)
STEP 6: We manufacture and despatch the stand

graphic design

sarn helen causeway

We were commissioned by the Art Council for Wales and Cwm Dulais Historical Society to produce a leaflet that promoted and raised public awareness of hillside walks through the Neath Valley, which is of significant Roman historical reference to Wales.

<http://www.dulaisvalley.org>

swansea festival

We were asked by Swansea Council Marketing Department to design their new look corporate identity for the 2002 events leaflet and all related presentation material for the forthcoming summer months.

With the massive success of our design in all areas, it gave us great pleasure to receive acclaim within Swansea Council and eventually a letter of gratitude and a flattering testimonial for all our hard work.

Testimonial

As Marketing Officer for the Swansea Bay Summer Festival 2002, I would like to congratulate and thank you for all your hard work that was put in to making this year's festival a success. I found your work to be of an extremely high standard, complimented by your innovative designs and total commitment to meet a short deadline and fantastic team of dedicated designers.

"Thank you again and I look forward to working with you in the future".

Anthony Richards, Marketing Officer.

mbm coed y brenin

We have produced an array of corporate literature and a wide range of information booklets for MBM. We have also produced corporate information panels and related signage.

<http://www.mbwales.com>

ict forum wales

We were asked by ICT Forum Wales to design their corporate identity and all related presentation material for the forthcoming exhibition event and seminars to be part financed by Microsoft and other companies.

After meeting with the client it became apparent to us that this event would be a stage for many new technologies.

<http://www.ictforumwales.com>

graphic design

swansea fostering agency

Swansea Fostering and Adoption Agency contracted us to re-design their existing corporate image. Their new corporate identity would be utilised in all aspects of their re-branding exercise, from press advertising to exhibition display, large format posters for display in prominent areas and advertising on public transportation. Through research and communication with foster families we were able to produce a design that was not only sensitive to the subject, but focussed on raising public awareness.

swansea bay 10k

Nationally acknowledged, the Swansea Bay 10K is an extremely high profile run which we at Matrix had the pleasure in producing for. The feedback we've received from the organisers is that with our help, the race has reached maximum capacity for race entries.

<http://www.swansea bay festival.net>

kindrace electronics

Kindrace transformers were looking to improve their company profile and update their corporate logo. Through the use and implementation of 3d modeling, we achieved a futuristic and dynamic approach to what normally is a very conservative market.

<http://www.kindrace.co.uk>

swansea fireworks

Swansea Fireworks Display attracts huge crowds and is considered of high importance in the events calendar within the Events Department of Swansea Council. We were commissioned to produce a wide selection of advertising and printed literature for the 2002 fireworks event.

The work produced here went on to generate wide interest throughout numerous council marketing and advertising departments.

<http://www.swansea bay festival.net>

graphic design

careers wales

We were asked by Careers Wales Marketing Department to design their new corporate identity for the SET 2002 events leaflet and all related presentation material for the forthcoming summer months. With the massive success of our design in all areas, it gave us great pleasure to receive acclaim within Careers Wales West and eventually a letter of gratitude and a flattering testimonial for all our hard work.

Testimonial

We thought it time we should let you know how impressed we are by the corporate designs you have produced for us. One of our aims this year has been to raise awareness of Careers Wales West both regionally and nationally and feedback shows that, with your help, we are achieving this.

"We look forward to your continuing input to our Marketing Strategy."

Marketing and Public Relations Officer
Nerys Jones

<http://www.careerswaleswest.co.uk>

edimar

Edimar is a significant factor in the inter-trading economies of Europe. At Matrix we have designed the complete corporate package which includes a diverse selection of medias, from corporate logos through to large and small exhibition stands and an array of corporate print material.

<http://www.edimar.co.uk>

politics department

We were commissioned by Swansea University to raise awareness of the Politics Department and attract new students to the course. We produced, under the instruction of the Politics Department, a new sci-fi image. With the strapline which read 'open your mind'.

<http://www.swansea.ac.uk/poli>

activa

Activa Fitness Centres are an integral part of leisure centres throughout Swansea and South Wales and we at Matrix have generated numerous brochures and related items including exhibition display banners, signage and press advertising.

<http://www.swansea.gov.uk/leisure>

Wales's leading authority in Information Technology and Communication at the highest level with multiple blue chip

clients and organisations. At Matrix we deem ourselves fortunate to deal on regular basis with such prestigious clients, who give us the opportunity to design at our optimum level.

Testimonial

In all my dealings with Matrix I have always found them to provide the highest customer service. I have used them to design all kinds of promotional publications and they have always provided just what was needed. Their level of graphic design is very high and are prompt with delivery times.

"Nothing was ever too much for them and I would recommend their services every time."

Marketing Officer, IT Network Wales
Kelly Swinnerton

<http://www.itnetworkwales.org.uk>

One of the WDA's leading contractors commissioned us to design

their corporate identity and other related materials which included, corporate logo, stationary, company brochure, vehicle livery and signage. The client brief was to produce something that would give them a contemporary look and feel that would extend throughout the company in future literature and advertising.

<http://www.joneshenllan.co.uk>

As an integral part of Matrix's services (advertising), Eyecatchers

work closely with our success to solve an array of design projects, from multinational campaigns to general art direction on smaller based advertising campaigns. The brief here was to provide a cutting edge corporate identity to reflect the company's forward thinking attitude. We utilised current techniques in 3D modeling to produce the Eyecatchers logo.

<http://www.eyecatchersadvertising.com>

We were approached by one of the UK's rapidly expanding

recycling plants. We were asked to design their corporate branding for general use throughout their entire range of stationary, vehicles and literature.

web & multimedia

halo urban religion

Halo is a subculture, skate and extreme sports clothing company with its foundation in the US. Matrix have been commissioned to design and brand multiple elements for its European license. Matrix have been involved over the last year in many aspects of its branding and have recently completed

its preliminary web site which has been submitted for a web animation appraisal. The success of our initial design has led to further work in the form of a multimedia CD, complete with video and music, to enhance their corporate brochure. <http://www.urban-religion.com>

volatile industries

Volatile approached us to design their identity for use on corporate literature and on the Internet. Volatile is a surf/skate clothing brand that

produces hard edged urbanwear and as such we produced a design that reflected their style and product range. The client was extremely pleased with the designs and as a result we were asked to produce a further design for an interactive cd.

<http://www.volatile-industries.com>

rowland jones

Rowland Jones are one of Swansea's leading chartered surveyors. They needed a web site which portrayed their classic values and modern approach.

<http://www.rowland-jones.co.uk>

dj davies fuels

One of the main distributors for combustible fuels throughout the UK. Clients include Tesco and Texaco. We produced the complete corporate overhaul including packaging.

<http://www.djdaviesfuels.co.uk>

packaging design

dj davies fuels

DJ Davies Fuels asked us to produce a range of packaging for selected fuel products that were to be distributed to numerous national supermarkets and various other outlets. The design had to have a style that could be carried across the range and recognised as a DJ Davies Fuels product and also stand out when on display.

haydn tyler music cd

Having known Haydn for many years, it gave us great pleasure when he asked us to produce the cd jacket for his third album. The brief and title of the album was 'Carry Me Out'. Through our initial meeting with Haydn, it was apparent that we would be involved in the complete project including art direction for the photography. The result we feel typified Haydn's music, which in turn gained us a flattering testimonial.

Testimonial

I just thought I'd write you a quick letter to let you know how grateful I am for all your hard work which was turned around in such a small space of time. The results are great and the feedback from the record producers is excellent.

"Once again, thanks, and hope to see you soon for the next album."

Haydn Tyler

custom / modular

black box-av

This display stand was manufactured in conjunction with ourselves for **Black Box-AV**, an interactive communications company who provide listening booths for HMV and Virgin and also portable interactive tourist guides for the Tower of London.

The final result was a complete success and was used in two more exhibition events.

Modular Stands are extremely versatile with a simple mechanism that allows limitless variations in design.

modular design

Matrix's reputation for giving customers outstanding value for money has been recognised over a period of many years.

Matrix offer customers

- A wide range of innovative products
- Maximum flexibility
- Products manufactured to the highest quality standards
- Panel materials that conform to Class 1 Fire Ratings
- Very competitive prices and outstanding value.

hire service

Our modular display system in a limited range of colours can be hired for any period of time. Panels can be collected from the factory or delivered to site. We also offer delivery, collection, construction and dismantle of your display.

Modular displays come with the option to choose the colour of your display panels.

digital printing

print pricelist

Matrix provides the ultimate cost effective digital print solution, producing images of the highest quality for numerous applications, equating for all your short run digital print needs, from Piezo to thermal and even resin based sublimation printing (quite simply we've got the lot).

Technology forms the backbone of our organisation allowing us to offer a much wider and superior range of short run print services than our competitors. We are able to offer a quality print service incorporating spot pantone, process, hexachrome

and now even foil printing to the highest recognised ICC colour profiles with improved turnaround times and greater cost effective solutions to your printing needs.

Finishing is an important part of production facilities and we offer a complete in-house service capable of mounting onto numerous substrates with sizes up to up to 60" wide.

Ultimately we provide the convenient solution for short-run, large format printing applications and pride ourselves on our ability to deliver quality solutions on time, every time and within budget.
